Next Assignment Numbers

Charter Ordinance: 21

Ordinance: 1058

Resolution: 07-2020

NOTICE: SUBJECT TO REVISIONS

It is possible that sometime between 6:00 and 6:30 pm immediately prior to this meeting, during breaks, and directly after the meeting, a majority of the Governing Body may be present in the council chambers or lobby of City Hall. No one is excluded from these areas during those times.

City of Clearwater, Kansas
Sedgwick County
City Council Meeting - **MINUTES**
April 14, 2020
Clearwater City Hall – Council Chambers
129 E. Ross Avenue Clearwater, KS 67026

1. Call to Order/ Invocation and Flag Salute

Mayor Burt Ussery called the meeting to order at 6:30 p.m. followed the invocation and flag salute.

2. Roll Call

The City Clerk called the roll to confirm the presence of a quorum. The following members were present: Mayor Burt Ussery, Councilmembers; Justin Shore, Shirley Palmer-Witt, and Chad Pike were present. (Justin Shore was by phone)

Yvonne Coon and Chris Griffin were absent.

The following staff members were present:

Ron Marsh, City Administrator, Courtney Meyer, City Clerk.

Others Present by phone: Jared Dinwiddie, Kirk Ives, Ernie Misak, Justin Patrick, Chadd Posch, Austin Parker, City Attorney.

3. Approval of the Agenda

Mayor Ussery asked if there were any modifications to the agenda. Marsh Item 5d. Street Maintenance and 5e Sale of Ambulance were to be added to the business.

Mayor Ussery called for a motion to approve the agenda as modified.

Motion: *Palmer-Witt* moved, *Pike* seconded to accept the agenda as modified. Voted and passed unanimously.

Mayor Ussery gave a brief update on the new information that was distributed to the public on the COVID-19 cluster at the Clearwater Nursing and Rehab Center.

Chris Griffin enters at 6:34PM

4. Public Forum

Mayor Ussery opened the public forum for people to come of mute or type their statements in the comments box on GoToMeetings. None

5. Approve Consent Agenda

Mayor Ussery asked if there was any question on the consent agenda and if not asked for a motion to approve.

Minutes: 03/24/20

Claims and Warrants

Resolution 05-2020 – Appropriation Resolution

Approval to hire seasonal workers

Motion: *Palmer-Witt* moved, *Justin Shore* seconded to approve the consent agenda as presented. Voted and passed unanimously.

6. Staff Reports

- a. Police Department – Kirk Ives – Councilmember Griffin asked what was being done about the vandalism in the park. Meyer stated we have met with SKT about cameras in the park and staff had planned on bringing it before council during the budget process. Mayor Ussery asked that the information be brought before council at the next meeting. Council had no other questions.
- b. Fire Department –Jared Dinwiddie –Council had no questions
- c. Public Works – Ernie Misak – Council had no questions
- d. Parks & Maintenance – Chadd Posch – Council had no questions.

7. Public Hearing – Notice of Intent to Issue Industrial Revenue Bonds for Plains Cotton Cooperative.

Mayor Ussery called for a motion to open the public hearing at 6:40.

Motion: Palmer-Witt moved, **Pike** seconded to open the public hearing on the notice of intent to issue Industrial Revenue Bonds for Plains Cotton Cooperative. Voted and passed unanimously.

Kevin Cowan, Gilmore and Bell on the line. Prior to tonight a notice was published and mailed to other taxing district in the City, County and School. Intent resolution is stating the City has the intent to move forward with Industrial Revenue Bonds for Plains Cotton Cooperative. Cowan went through the different sections of the resolution and explained the Payment in Lieu of taxes would be managed by Sedgwick County once finalized. Council had not other discussion. Mayor Ussery called for a motion to close the public hearing.

Motion: Griffin moved, **Shore** seconded to close the public hearing on the notice of intent to issue Industrial Revenue Bonds for Plains Cotton Cooperative. Voted and passed unanimously.

Motion: Shore moved, **Griffin** seconded to adopt Resolution 06-2020 of Intent to issue Industrial Revenue Bonds.. Voted and passed unanimously.

8. Business

a. Approve Purchase of New Mower

The Parks department and Public Works currently have mowers that are shared between the 2 departments. In the mowing fleet is a 72” Badboy deck mower, 72” Grasshopper front deck mower, and a 14’ LandPride mower that is used with a Tractor (see Table 1 below). The new Parks and Facilities Superintendent acquired 3 governmental quotes on 3 different mowers to purchase for the Parks department. This would allow the Parks Department to have one mower that is not shared with the Public Works department.

The Superintendent would also like for council to approve the sale of the Grasshopper front deck mower for a minimum of \$3500 with the proceeds to go towards the purchase of a 2nd new mower for the parks department. The font deck mower can only be used on the ball diamonds and the soccer fields. It would benefit the department if there were two mowers that were useful for all mowing purposes.

This would give the Parks Department 2 mowers that wouldn’t be shared with Public Works and allow Public Works to keep the 72” Badboy mower that wouldn’t be shared with the Parks Department. This would leave only the LandPride that would be shared between departments until another solution can be found (see Table 2 below).

CURRENT MOWER USE (Table 1)

MOWER	PARK USE	PW USE
72" BADBOY	X	X
72" GRASSHOPPER	X	
14' LANDPRIDE	X	X

PROPOSED MOWER USE (Table 2)

MOWER	PARK USE	PW USE
72" BADBOY		X
72" GRASSHOPPER (SELL)		
72" NEW MOWER	X	
72" NEW MOWER	X	
14' LANDPRIDE	X	X

There is \$14,300 in equipment reserve for mowers this year. The low government price is the Spartan mower from Kansas Golf & Turf for \$8,724.25 (see Table 3). To purchase two Spartan mowers the Grasshopper would need to sell for a minimum of \$3,200. Staff believes the mower could sell for \$5,000 to \$6,000. If the unit sells for more than is needed to complete the purchase of a 2nd mower the excess funds would go back to the Equipment Reserve Fund for Parks.

Table 3

VENDOR	MOWER MODEL	PRICE
Wichita Tractor	72" Badboy	\$9469.00
Kansas Golf & Turf	72" Hustler	\$8859.39
Kansas Golf & Turf	72" Spartan	\$8724.25

Council asked questions about the sale of the Grasshopper, since it is only a couple of years old, they questioned if it was in the best interest of the City. Posch explained the grasshopper is a front deck mower doesn't do well unless the ground is level, no slope. The mower will bind up on a slope or if the ground is bumpy. The Spartan mower, lowest bid, had the best decking to cut the all grounds in parks and facilities. Council questioned Posch on the warranty differences between the mowers and he stated they were all very similar.

Council deduced the Grasshopper is a problem when it comes to application and not necessarily maintenance. The Grasshopper doesn't meet all the practical needs we need it to. Council also decided that \$3500 was too low of asking price for the Grasshopper and asked to consider a minimum price of \$4500

Motion: Palmer-Witt moved, **Pike** seconded to purchase one Spartan mower from Kansas Golf and Turf for \$8,754.25 and approve the purchase of a second Spartan mower contingent upon the sale of the Grasshopper mower for not less than \$4,500 Voted and passed unanimously.

b. Consider Purchase of Replacement Police Vehicle.

In 2018 one of the police vehicles was involved in an accident that our insurance company ultimately determined to be a total loss. The value received for the vehicle was \$14,507.50.

In April 2019 the Governing Body approved the bid from Rusty Eck Ford in the amount of \$33,506.00 with a 5-6-month delivery. Since then due to a myriad of reasons including Ford having to retool their police interceptor production lines, Chevy workers going on strike, the police vehicle we ordered in April 2019 has not been built at the Ford factory. I have given Rusty Eck Ford the requisite 30-day cancellation notice which expired April 3rd. The waiting time for both Ford and Chevy police vehicles is long and unpredictable.

Chief Ives has been able to find the Dodge police vehicle available through Superior Emergency

Response Vehicles in Andover. At the March 10, 2020 City Council meeting the Governing Body approved the purchase of a Dodge Durango Police Vehicle as the scheduled and budgeted replacement for an existing vehicle.

Chief Ives has been in contact with Superior Emergency Response Vehicles and they have another Dodge Durango available to purchase.

Since we have been unable to purchase the Ford vehicle originally approved, Staff is requesting the approval to purchase a second Dodge Durango police vehicle from Superior in the amount of \$43,351.50. This includes all ancillary equipment and installation.

The \$14,507.50 from the insurance company and \$9,587 that was put into equipment reserve last year for this vehicle. will be applied to the price of the vehicle. \$19,257 will be financed

Staff recommends approving the purchase of a Dodge Durango police vehicle from Superior Emergency Response Vehicles in the amount of \$43,351.50 financing \$19,257 for 3 years with an interest rate of 3.33% from Emprise Bank.

Motion: *Pike* moved, *Palmer-Witt* seconded to approve the purchase of the 2020 Dodge Durango from Superior Emergency Response Vehicle for \$43,351.50 and financing \$19,257 from Emprise Bank at a rate of 3.33%. Voted and passed unanimously.

c. Approve Applicants Retroactively for 2020 Housing Incentives

During the February 11th council meeting the Governing Body approved the 2020 Incentive Program. These incentives would apply to those in the 2020 calendar year who either pull a building permit this year or sign a contract to purchase a house this year. This was different from the 2019 incentives where the Certificate of Occupancy or home purchase had to occur in 2019 to qualify.

Currently there are 4 customers that do not qualify for either incentive program. Two of the customers pulled building permits in 2019 but will complete the home in 2020 and two who have contracted to purchase a home in 2019 but will not close until 2020.

These four customers would qualify for the 2020 incentives which include the \$1500 homebuyer cash allowance and the 50% reimbursement on their taxes for 3 years. They must receive their Certificate of Occupancy or Close on their home in 2020. There is \$20,000 in the budget to cover “new” incentives for 2020.

Staff recommends for council to approve the 2020 incentives for customers who contracted to build or purchase a home in 2019.

Council Griffin needed clarification why this needed to be brought before council. Mayor Ussery explained this is a house keeping issue for people who did not come in late. Between 2019 and 2020 we did not have one program or the other with a beginning date or ending date that didn't match up. For auditing purpose, this would legally align these home owners with one incentive program or the other and the only difference between, budgeting wise, 2019 and 2020 is the property taxes in 2019 are on a sliding scale payout and the 2020 property taxes are 50% each year for 3 years. Attorney Parker agreed.

Motion: *Shore* moved, *Pike* seconded to retroactively approve the application for housing incentives for 2020. *Palmer-Witt* abstained, Voted and passed unanimously.

d. Approve Additional Street Maintenance Work

During the 2019 street maintenance work being done, the contractor, Circle C, identified approximately 3200 ft² of additional patch work that needs to be done to help prolong pavement until major repair work can be scheduled. In these cases, the pavement has 'alligator cracks' which is caused by surface failure due to traffic loading, inadequate base or subgrade support.

Circle C will be able to repair these areas while in town as part of the street maintenance project. The price from Circle C is \$19,500, or \$55/yd³. The Public Works director called another local contractor to check the price and they quoted \$60-64/yd³.

It is important to get these areas repaired as soon as possible to help reduce additional water penetrating the road surface and causing these cracks to spread.

ProSeal contractors was approved to do pavement preservation as part of the 2019 street maintenance at a cost of \$23,676.30.

The 2019 budget had \$155,000 for street maintenance. The bids for maintenance came in at \$99,580 and the ProSeal bid at \$23,676.30 leaves \$31,743.70 in equipment reserve for street maintenance.

Council questioned if there was more streets than the ones listed that needed repair since there was money left in the budget. Ernie Misak reported that there are other streets but since sealing was being applied to the streets listed that is why the patching needed done. Other repairs will be brought before council at a later date for future projects.

Motion: Palmer-Witt moved, **Pike** seconded to approve Circle C to make the pavement repairs for \$19,500. Voted and passed unanimously.

e. Sale of 2013 Ford Traumahawk Ambulance

A potential buyer for the newer of the City's two ambulances has emerged. The City of Wellington is has approved buying an ambulance and would like to do it quickly. Based on the condition, year, and relatively low mileage of the ambulance we should be able to sell it in the \$80,000 - \$100,000 range.

Wellington is looking for a quick purchase and I would like Council to approve authorizing the City Administrator to enter negotiations with a buyer for the sale of the 2013 TraumaHawk ambulance at a price of not less than \$80,000.

Marsh stated, Sedgwick County has not shown interest in the vehicle and would recommend council to approve the sale of the vehicle.

Justin Patrick stated that Wellington City Council will be looking at the vehicle and Weins Auction is helping with the sale. Patrick stated he didn't think there would be a seller's premium for this just a buyer's premium.

Motion: Griffin moved, **Palmer-Witt** seconded to approve the sale of the 2013 ambulance for not less than \$80,000. Voted and passed unanimously.

Mayor Ussery asked City Attorney Parker what the procedure was to change a vote. Parker stated he just had to ask for the motion to be restated. Mayor Ussery asked Councilmember Griffin if the item he wanted restated was item 8c, Approve Applicants Retroactively for 2020 Housing Incentives? Griffin stated yes. Mayor Ussery called for the motion to be restated.

Motion: Pike moved, **Shore** seconded to retroactively approve the application for housing incentives for 2020. Palmer-Witt abstained, Voted and passed 2-1. Griffin voted no.

9. Administrators Report

- The State “Stay at Home” order continues through April 19, at which time if it’s not extended the County “Stay at Home” will resume in effect through April 25th.
- All closures and staffing remain as they were last meeting with the additional closing of the park playground and basketball courts.
- Midland GIS has completed the on-site water and sewer locating and are in the process of completing the maps for the City.
- Public Works is still looking for one more hire.
- The new Parks & Facilities Superintendent is off to a good start. The transitioning of duties and equipment with Public Works hasn’t been without some hiccups but is progressing well. They are housed in the old Public Works shop at 401 W. Ross. Chadd continues to assist Public Works as needed.
- As we get used to the new way of conducting business, we will be starting the budget process. Departmental budget presentations for Council will begin in May.
- The business owner to the East of the City lot at Tracy and Ross has asked to have the posts removed and Marsh has stated the Council would like to keep them in a safety precaution for the property owners building.

Council asked if Midland GIS was flagging yards when they were doing their work because there are many residences in Park Glen that still have flags in the yards. Misak stated Midland GIS was not flagging yards and it might have been for preliminary mapping for the improvements that will be done at the wet well.

10. Governing Body Comments

Griffin had nothing to report

Pike had nothing to report

Palmer-Witt had nothing to report

Shore stated: I'd like to thank the Mayor and City Administrator for their continued leadership during this community crisis. I'd also like to extend my gratitude and support for the Mayor's, county's, and Governor's actions aimed at stopping the spread of this virus. Finally, I'd like to express my condolences for the loss of our community member. My thoughts are with our affected seniors and their families

Ussery had nothing to report

11. Executive Session K.S.A. 75-4319(b) (1) To Discuss Confidential Data Relating to Financial Affairs or Trade Secrets of Second Parties

Motion: *Griffin* moved, *Palmer-Witt* seconded to recess into executive session pursuant to the financial affairs or trade secrets of a second party to include the City Administrator and the City Attorney. The open meeting will reconvene in the City Council Chamber at 8:15 p.m.
Voted and passed unanimously.

Mayor Ussery called the meeting back to order and stated there was no action taken in executive session.

Motion: *Palmer-Witt* moved, *Shore* seconded to authorize the Mayor to execute a real estate purchase agreement between City of Clearwater and Plains Cotton Cooperative with the terms in the contract the Council has seen. Voted and passed unanimously.

Motion: Palmer-Witt moved, **Pike** seconded to recess into executive session to discuss personnel matter of nonelected personnel to include the Chief of Police and the City Administrator and the City Attorney. The open meeting will reconvene in the City Council Chamber at 8:22 p.m. Voted and passed unanimously.

Mayor Ussery called the meeting back to order and stated there was no action taken in executive session

Motion: Griffin moved, **Pike** seconded to hire officer Michael Pickins to join our police department with a salary of \$18.50 per hour. Voted and passed unanimously.

12. Adjournment

With no further discussion Mayor Ussery called for a motion to adjourn.

MOTION: Palmer-Witt moved; **Shore** seconded to adjourn the meeting. Voted and passed unanimously. The meeting adjourned at 8:26 PM

CERTIFICATE

State of Kansas }
County of Sedgwick }
City of Clearwater }

I, Courtney Meyer, City Clerk of the City of Clearwater, Sedgwick County, Kansas, hereby certify that the foregoing is a true and correct copy of the approved minutes of the April 14, 2020 City Council meeting.

Given under my hand and official seal of the City of Clearwater, Kansas, this 24th day of April 2020

Courtney Meyer, City Clerk

Re: **Parks/Facilities**

Parks and facilities have made a lot of improvements in the last couple of weeks.

- We have almost completely organized the Parks shop at 401 W Ross. Along with keeping up with the mowing and work orders.
- Our new hires for part time have been doing very well and can complete their assigned tasks with very little supervision and they show willingness to work independently.
- We have picked up the new Spartan mower and have been using it. It has exceeded expectations for performance
- We are also working on getting the Grasshopper lawn mower posted to sell
- I have been working with Cole from SKT to come up with a price for another option for security cameras at the park shelter. As of right now I have not received the quote.
- All the fire extinguishers for the city owned properties have been check, tagged, and refilled as needed.
- I am currently working on getting new mulch for around the playground equipment at the park. This is an ongoing yearly safety process.
- We have replaced the rotors on the 2000 ford F-250 and full breaks replacement we were able to do this in house to keep cost low.
- We have also replaced the shifter positioner in the 1995 ford F-150 this was a possible safety issue and also ensures that the truck is visibly in the right gear.

To: Mayor and City Council Members

From: Ernie Misak, Public Works Director

Date: April 28, 2020

Subject: Public Works Summary

1. Relocating water supplies from the old shop to the newer one.
2. Wastewater samples and water samples have been collected and delivered to Lab for analysis. Water sample was acceptable. Wastewater BOD was high with very small chance of coming into compliance with a second test, so a second one will not be taken. This means that our April sample will be out of compliance.
3. Cole has spent approximately 2 more days since the last meeting working with Midland GIS locating water and/or sewer manholes to locate and expose for measurement(s). We have received preliminary mapping and are reviewing for accuracy.
4. Repaired water leak at 628 E. Elaine. Had to cut out street and repair the service line to that address.
5. Currently have a water leak at the Garvey Complex. Has been one-called and is scheduled to be repaired next week.
6. Continuing to search for other candidates. Have telephone interviewed some and will set interview schedule with Ron after his return to work.
7. Circle C has completed the contractual work for wide crack repair, narrow crack repair and some patch work that needed to be completed before they can perform the chip seal portion of the street work. I anticipate that the rock delivery for chip sealing will begin to come in within the next two weeks.
8. Have installed the water service at 220 S. Tracy. This also required boring, thus the street will need patched.
9. We still have 1 service to schedule for installation. Owner has requested to put off at this time. He is taking bids for the complete installation of water and sewer services to the house.
10. Performed street sweeping.
11. Water main extension to the Church of Christ along Diagonal Road has started and should be complete early this week.
12. Read meters and have performed rereads as requested by Clerk.
13. Have installed replacement meters in several locations due to failure to record accurate water usage.
14. Other normal duties and responsibilities.

**City of Clearwater
City Council Meeting
April 24, 2020**

Approve USD 264 Special Event Permit Request

Context: As a result of the school shut down across the state due to the Corona Virus, districts are looking for ways to honor and highlight their senior classes.

USD 264 is considering a parade through town with each senior in their own vehicle or whatever they chose to use. Chief Ives, Mayor Ussery and Bob Mellen (High School principal) have been in discussion about the logistics of having the parade. Several issues that have been or are being considered:

- Restrict participants to Seniors and their immediate family in a vehicle
- No other non-Senior occupied vehicles will be allowed in the parade
- What vehicles will we allow in the parade? Golf carts, trucks with people in the back, trailers, tractors, etc.
- Line up would be formed at the high school and the parade could begin there and end (to be determined).
- A specific route through town would be designated, announced, and marked in advance. (to be determined).
- Those watching the parade would be directed to be along the parade route and can be in lawn chairs, standing or in parked vehicles. They will be instructed to not gather in a group and they must maintain social distancing as required.
- Police would lead the parade to control the speed and the Fire Department or police would be the tail of the parade for safety.
- Chief Ives and myself will review the route once it is received from the school to determine which, if any, streets will need to be closed.

Per City code the Governing Body must approve a special event permit for these types of events.

Financial: There is no financial consideration for the City.

Legal Considerations: Review and comment as necessary.

Recommendations/Actions: Approve the USD 264 Special Event Permit for a parade to recognize the senior class.

CITY OF CLEARWATER, KANSAS
SPECIAL EVENT PERMIT
ON PUBLIC PROPERTY WITHIN
THE CLEARWATER CORPORATE LIMITS

Please return to the City building a minimum of **60 days** prior to the event.

Permitee: USD 264

Permitee Group or Organization (if any): Clearwater High School

Permitee Address: 151 S. First Ave. Clearwater, KS 67026

Permit Date(s): Sunday, May 3, 2020

Permit Hours: Start Parade at High School at 2:00 pm (begin vehicle line up in CHS Parking Lot at 1:30 pm)

Description of the Area to be Utilized Pursuant to this Permit: NA

Description of Special Event Activities Permitted Pursuant to this Permit: Parade for the recognition of the graduating senior class.

Permit Conditions:

1. Hours of Operation: Pursuant to this permit, the above-described Area to be Utilized Pursuant to this Permit is permitted to be utilized for the above-described Special Event Activities on the Permit Date(s) during the Permit Hours.
2. Street Closure: The following street(s) are to be closed to non-emergency traffic on the Permit Date(s) during the Permit Hours: **I do not believe that any street closures are necessary, but would defer that decision to City of Clearwater Officials and Clearwater Police Department.**
3. Parade: One parade spanning from **2:00 pm** to **Approx. 3:00 pm** shall be permitted on one of the Permit Date(s) during the Permit Hours. In accordance with Section 8 below, Permitee, in conjunction with the Permitee Group or Organization (if any), is responsible for the removal of any trash or other debris generated during the course of such parade.
4. Posting: During the entire time this special event permit is in effect, it shall be conspicuously posted within the above-described Area to be Utilized Pursuant to this Permit.
5. Emergency Vehicle Access: A clear path for emergency vehicle access should be maintained across and through the above-described streets on the Permit Date(s) during the Permit Hours.
6. Setbacks: All carnival rides, amusements, midway games, concessionaire stands and equipment as well as all other temporary structures erected in the above-described Area to be Utilized Pursuant to this Permit shall be set back not less than forty (40) feet from all street rights-of-way not closed to non-emergency traffic as set forth above.
7. Adequate Sanitary Facilities: Permitee, in conjunction with the Permitee Group or Organization (if any), is responsible for assuring that the above-described Area to be Utilized Pursuant to this Permit

contains adequate sanitation facilities. Adequate sanitation facilities shall be determined on the basis of one (1) temporary restroom facility per one hundred (100) estimated people in attendance per hour. In this regard, Permittee, in conjunction with the Permittee Group or Organization (if any), shall provide _____ () porta potties, properly secured by stakes to the ground, to be utilized in conjunction with the above-described Special Event Activities within the above-described Area to be Utilized Pursuant to this Permit. Additionally, the City of Clearwater will also open its public restroom facilities located within the above-described Special Event Activities on the Permit Date(s) during the Permit Hours.

8. Trash: Permittee, in conjunction with the Permittee Group or Organization (if any), is responsible for providing the appropriate number of trash containers to contain any trash or other debris generated during the above-described Special Event Activities within the Area to be Utilized Pursuant to this Permit, including the placement of containers by all concession areas. Permittee, in conjunction with the Permittee Group or Organization (if any), is also responsible for the removal of any trash or other debris generated during the course of the above-described Special Event Activities from the Area to be Utilized Pursuant to this Permit as well as its surrounding vicinity.

9. Indemnification: Permittee, in conjunction with the Permittee Group or Organization (if any), shall assure that the City of Clearwater is indemnified against any and all losses incurred in connection with the above-described Special Event Activities by procuring and attaching to this Permit the following insurance coverage which names and indemnifies the City from any and all liability in this regard on a primary and non-contributory basis and includes a waiver of subrogation in favor of the City of Clearwater:

- General Liability insurance with limits of not less than \$1,000,000 per occurrence and \$2,000,000 per aggregate;
- Workers' compensation coverage for all event employees or volunteers; and
- Umbrella insurance with limits no less than \$1,000,000.

10. Permits: A Special Event Permit fee of \$ NA is required to be paid to the City of Clearwater prior to Permit issuance. The Permittee, in conjunction with the Permittee Group or Organization (if any), is responsible for filing and obtaining all additional necessary and/or appropriate permits and licenses. All costs of such permits and licenses will be the responsibility of the Permittee, in conjunction with the Permittee Group or Organization (if any).

11. Compliance: Strict compliance with all applicable state and local statutes, codes, ordinances, resolutions, rules and regulations as well as the terms and conditions of this Special Event Permit is a condition precedent to the continued validity of this Permit. Any failure to comply immediately nullifies the validity of this Permit. Upon written notice of such nullification to the Permittee or any other member of the Permittee Group or Organization (if any) from the Mayor of the City of Clearwater, all of the above-described Special Event Activities shall immediately terminate. Any continuation of the above-described Special Event Activities in violation of such written notice of nullification may constitute violation(s) of applicable state and local statutes, codes, ordinances, resolutions, rules and regulations.

ISSUED this _____ day of _____, 202_.
